

**REMARKS**

Applicants submit a Supplemental Declaration for Reissue. Applicants point out the Examiner that the Inventor signed the Declaration in the space designated for a Second Inventor, however, it is clear from immediate observation that the printed name in the Sole/First Inventor Section and the signature in the Second Inventor section belongs to the same person.

Accordingly, the matter is once again in condition for allowance and a Notice of Allowance is earnestly solicited.

If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

If necessary to effect a timely response, this paper should be considered as a petition for an Extension of Time sufficient to effect a timely response, and please charge any deficiency in fees or credit any overpayments to Deposit Account No. 05-1323 (Docket #080310.40901C2).

Respectfully submitted,

August 6, 2007
